Dear Parents/Carers

Further Education Open Days/Events

Please find below the links to three of our relatively local Further Education Colleges within manageable travelling distance, with information on their upcoming virtual/actual open day events. There is much on offer that explains the workings of a Further Education College and the courses available.

We shall continue alerting you to upcoming events that can further your knowledge and confidence in what education paths there are beyond our own sixth form, when your sons reach the end of year 11, so please keep looking out for them and keep an 'eye' on our website careers page.
