Dear Parents/Carers

Re: Important Information on the GCSE Options Process

I hope this message finds you well.

As we approach the GCSE options process, we have attached the GCSE options booklet for your reference.

Please take the time to speak with your son about his options, as this is an important step in his educational journey. We also encourage you to discuss his choices with his teachers during **Parents' Evening on the 27th of March**. Mr Brar will be available for further discussions and can provide additional insights.

The final submission date for the options will be the **25th of April**, please ensure that your son has finalised his choices by then.

If you have any questions or require further advice, please do not hesitate to email me or any of the teachers. We are here to support your son as he makes these important decisions regarding the next stages of his education.

Thank you for your engagement and support.

Best regards,

Mr D Edwards
Deputy Headteacher
