Dear parent/carer

YourGamePlan

I am pleased to be able to promote to you 'YourGamePlan', a digital learning platform to help teach your son transferable and employability skills for the workplace. It also educates about the different sectors they could have careers in.

The short online courses, followed by a short test, are CPD-certified and can be added to CVs, application forms and personal statements. The courses available fall into the following categories: *Career Planning, Application and Interview, Skills for the Workplace, Behaviours for the Workplace, Improving your Mental Health and Lifestyle and Introduction to Industries*. YourGamePlan have also partnered with ACCA to provide an 'Introduction to Accounting' course.

All your son needs to do to benefit from this free service is visit www.yourgameplan.co.uk and select Desborough College. I have also attached some supplementary information for students to read through.

I do hope your son can make the most of this opportunity to acquire the tools needed to pursue his chosen career path, whilst also sharpening his CV and widening his horizons. If you have any queries, please don't hesitate to contact me via the school office or at danielclawson@desborough-college.net

Yours faithfully
